	Biden-Harris	TITLE: Child Care Executive Actions 50 directives to nearly every cabinet-level agency to expand access to affordable, high-quality care			Watch			ACTION IN EACH CABINET
		<i>The America child care sector received a significant boost recently with the passage of a federal spending bill that included a \$1 billion increase in funding for early childhood education programs. This increase, which amounts to roughly a 30% hike in funding, includes significant boosts for Head Start and the Child Care and Development Block Grant, potentially expanding access for more families and improving the quality and availability of child care services.</i>
